Hopscotch Kids Club operates before and after school childcare during term-time for children attending both the Infant (with nursery) and Junior Schools.

Hopscotch runs from the Infant School Annex Building, ideal as it offers plenty of play space both inside and out, together with a secure entry and exit system.

We are OFSTED registered (graded GOOD), are able to accept childcare vouchers, are registered for the Government childcare scheme and can give further information on tax credits to help with childcare costs.

The club is staffed by a Manager and play-workers, who are fully qualified and vetted.

We provide a wide variety of play opportunities to keep your child entertained. We have lots of outside play space including the large playing fields and our own dedicated playground. Whilst inside, the children can freely access all games/toys such as; crafting, books, baking, music, quiet corner, DVD's, video camera for film-making, pool table, air hockey, construction toys, home corner, fancy dress, homework area,..the list is endless.

We also provide adult led activities and team games.
