

# On the Hop

## The Hopscotch Newsletter

Party Games

Bouncy Castle

Planting Flowers

Party Food

Baking Buns

### Enrolment forms

We request that you bring back your enrolment forms as soon as possible to guarantee your child's place for next year. We are grateful to those of you who have already returned their forms.

### Fees

Our fees for all of our sessions will be increasing by 35p starting in the new academic year.

### Accounts

Please could you ensure that your fee payments are made on the 1st of the month for both June and July. We would be very grateful for this as we could then close our accounts for the year.

## Hopscotch's Birthday Week

On Tuesday the children played party games. The first party game we played was pass the parcel in which the children each won a packet of sweets for completing the challenge hidden under each layer. The second party game was musical statues.

On Wednesday we hired a Bouncy Castle for all of the children to play on. They especially enjoyed going down the slide attached.

On Thursday the children helped us to plant our new flowers and to bake some buns.

On Friday the children got to have party food for their snack. This included sandwiches, cheese and onion rolls, carrot batons, and birthday cake amongst other things. They also got to take home a party bag.

## This terms activities:

### Vets role play

Our role play area was transformed into a vets where the children helped to look after our poorly teddy's by giving them lots of plasters.

Star Wars Day

Vets Role Play

Movie

Popcorn

Bees

Saint George's Day

Travel Agents Role Play

Yeadon Guiseley Rawdon Rocks

### Saint George's day

For Saint George's day some of the children had a trip down to the local fish and chip shop to collect our snack. The children enjoyed eating their fish and chips out on the field.

### Star wars day

For star wars day (May the 4th) the children made their own lightsabers which they then took outside to pretend to be a Jedi.

### Travel agents role play

The role play area was made into a travel agents. The children made up their own prices and deals for holidays and sold them to each other.

### Yeadon Guiseley Rawdon Rocks

As part of our 10th birthday celebration the children painted rocks with their own designs. These rocks were taken out into the local area and hidden. #HKC10

### Sun safety week

We talked to the children about the importance of staying safe in the sun. We talked about the benefits of wearing suncream and hats when out in the sun and how important it is to stay hydrated.

### Bees

We talked about bees and how they like to build their homes out of hexagons. We then talked about how bees make honey and the children got to taste honey and honeycomb.

### Popcorn

The children got to see how popcorn is made. They got to taste the difference between popcorn that was made at Hopscotch and popcorn which we bought from the shop. They then were able to tell us that sweetcorn and corn on the cob are the same.

### Movie

For the last day of term the children got to watch The greatest showman. They all really enjoyed it and some of them were even singing along which was lovely to hear.
